SENATE BILL

No. 1560

Introduced by Senator Battin

February 23, 2006

An act to amend ~~Section 1363.03, 1365.2, and 1378~~ *Sections 1363.03 and 1365.2* of the Civil Code, relating to common interest developments, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 1560, as amended, Battin. Common interest developments: governance.

(1) The Davis-Stirling Common Interest Development Act governs the establishment and management of common interest developments. These provisions require that a common interest development be managed by an association and that elections related to the governance or administration of the common interest development conform to specified requirements. Existing law authorizes a member of an association to bring a civil action to enforce his or her rights and authorizes a court to impose a civil penalty of up to \$500 for a violation of the provisions governing elections.

This bill would revise provisions governing the conduct of elections in a common interest development. Among other things, the bill would require an association to adopt rules to allow one or more inspectors to appoint or oversee independent 3rd parties to verify

signatures and count and tabulate votes, specify that a quorum shall only be required if so stated in the governing documents of the association or other provision of law, permit a ballot received by the inspector of elections to be treated as a member present for purposes of a quorum, authorize a secret ballot to be distributed and voted upon by the membership without a meeting, and impose other requirements relating to proxies and secret ballots, as specified.

(2) ~~That Existing law also~~ requires the association of a common interest development to make the accounting books and records and the minutes of proceedings of the association available for inspection and copying by a member of the association, or the member's designated representative. ~~That law~~ *The act* permits the association to withhold or redact information from the association records regarding interior architectural plans and security features for individual homes. ~~That law~~ *The act* prohibits the association or an officer, director, employee, agent or volunteer of the association from being liable for damages for failing to withhold or redact information unless the failure to withhold or redact information was intentional or negligent.

This bill would revise and recast those provisions to permit the association to withhold or redact information from the association records regarding *interior* architectural plans ~~or submittals~~ for individual homes, including security features, ~~subject to the authority of the association to show those plans to an impacted neighbor, as defined by association rules, or permit that impacted neighbor to inspect those plans, as specified.~~ This bill would additionally prohibit a ~~third~~ *3rd* party from being liable for damages for failing to withhold or redact information unless the failure to withhold or redact information was intentional or negligent. This bill would permit the associate to deliver documents by electronic transmission or machine-readable storage if those records are transmitted in a redacted format, as specified.

(3) ~~That law provides that, if a common interest development association's governing documents require association approval before an owner may make a physical change to the owner's separate interest or to the common area, the association shall satisfy specified requirements in reviewing a proposed change, including providing a fair, reasonable, and expeditious procedure for making its decision and making a decision on a proposed change in writing.~~

This bill would require, if the association grants a variance from the association's ~~published architectural guidelines or standards,~~ the

~~association to publish the decision granting the variance and the reasons for that decision in the open session minutes of the board of directors meeting after the variance is granted.~~

(3) The bill would declare that it is to take effect immediately as an urgency statute, but ~~certain~~ *its* provisions would become operative on July 1, 2006.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1363.03 of the Civil Code is amended
2 to read:

3 1363.03. (a) An association shall adopt rules, in accordance
4 with the procedures prescribed by Article 4 (commencing with
5 Section 1357.100) of Chapter 2, that do all of the following:

6 (1) Ensure that if any candidate or member advocating a point
7 of view is provided access to association media, newsletters, or
8 Internet Web sites during a campaign, for purposes that are
9 reasonably related to that election, equal access shall be provided
10 to all candidates and members advocating a point of view,
11 including those not endorsed by the board, for purposes that are
12 reasonably related to the election. The association shall not edit
13 or redact any content from these communications, but may
14 include a statement specifying that the candidate or member, and
15 not the association, is responsible for that content.

16 (2) Ensure access to the common area meeting space, if any
17 exists, during a campaign, at no cost, to all candidates, including
18 those who are not incumbents, and to all members advocating a
19 point of view, including those not endorsed by the board, for
20 purposes reasonably related to the election.

21 (3) Specify the qualifications for candidates for the board of
22 directors and any other elected position, and procedures for the
23 nomination of candidates, consistent with the governing
24 documents. A nomination or election procedure shall not be
25 deemed reasonable if it disallows any member of the association
26 from nominating himself or herself for election to the board of
27 directors ~~and having his or her name placed on the ballot.~~

28 (4) Specify the qualifications for voting, the voting power of
29 each membership, the authenticity, validity, and effect of proxies,

1 and the voting period for elections, including the times at which
2 polls will open and close, consistent with the governing
3 documents.

4 (5) Specify a method of selecting one or three independent
5 third parties as inspector, or inspectors, of election utilizing one
6 of the following methods:

7 (A) Appointment of the inspector or inspectors by the board.

8 (B) Election of the inspector or inspectors by the members of
9 the association.

10 (C) Any other method for selecting the inspector or inspectors.

11 (6) Allow the inspector, or inspectors, to appoint and oversee
12 additional persons to verify signatures and to count and tabulate
13 votes as the inspector or inspectors deem appropriate, provided
14 that the persons are independent third parties.

15 (b) Notwithstanding any other law or provision of the
16 governing documents, elections regarding assessments legally
17 requiring a vote, election and ~~recall~~ *removal* of members of the
18 association board of directors, amendments to the governing
19 documents, or the grant of exclusive use of common area
20 property pursuant to Section 1363.07 shall be held by secret
21 ballot in accordance with the procedures set forth in this section.
22 A quorum shall be required only if so stated in the governing
23 documents of the association or other provisions of law. If a
24 quorum is required by the governing documents, each ballot
25 received by the inspector of elections shall be treated as a
26 member present at a meeting for purposes of establishing a
27 quorum. An association shall allow for cumulative voting using
28 the secret ballot procedures provided in this section, if
29 cumulative voting is provided for in the governing documents.

30 (c) (1) The association shall select an independent third party
31 or parties as an inspector of election. The number of inspectors of
32 election shall be one or three.

33 (2) For the purposes of this section, an independent third party
34 includes, but is not limited to, a volunteer poll worker with the
35 county registrar of voters, a licensee of the California Board of
36 Accountancy, or a notary public. An independent third party may
37 be a member of the association, but may not be a member of the
38 board of directors or a candidate for the board of directors or
39 related to a member of the board of directors or a candidate for
40 the board of directors. An independent third party may not be a

1 person, business entity, or subdivision of a business entity who is
2 currently employed or under contract to the association for any
3 compensable services unless expressly authorized by rules of the
4 association adopted pursuant to paragraph (5) of subdivision (a).

5 (3) The inspector or inspectors of election shall do all of the
6 following:

7 (A) Determine the number of memberships entitled to vote
8 and the voting power of each.

9 (B) Determine the authenticity, validity, and effect of proxies,
10 if any.

11 (C) Receive ballots.

12 (D) Hear and determine all challenges and questions in any
13 way arising out of or in connection with the right to vote.

14 (E) Count and tabulate all votes.

15 (F) Determine when the polls shall close.

16 (G) Determine the tabulated results of the election.

17 (H) Perform any acts as may be proper to conduct the election
18 with fairness to all members in accordance with this section, the
19 Corporations Code, and all applicable rules of the association
20 regarding the conduct of the election that are not in conflict with
21 this section.

22 (4) An inspector of election shall perform his or her duties
23 impartially, in good faith, to the best of his or her ability, and as
24 expeditiously as is practical. If there are three inspectors of
25 election, the decision or act of a majority shall be effective in all
26 respects as the decision or act of all. Any report made by the
27 inspector or inspectors of election is prima facie evidence of the
28 facts stated in the report.

29 (d) (1) For purposes of this section, the following definitions
30 shall apply:

31 (A) "Proxy" means a written authorization signed by a
32 member or the ~~agent~~ *authorized representative* of the member
33 that gives another member or members the power to vote on
34 behalf of that member.

35 (B) "Signed" means the placing of the member's name on the
36 proxy (whether by manual signature, typewriting, telegraphic
37 transmission, or otherwise) by the member or ~~agent~~ *authorized*
38 *representative* of the member.

39 (2) Proxies shall not be construed or used in lieu of a ballot.
40 An association may use proxies if permitted or required by the

1 bylaws of the association and if those proxies meet the
2 requirements of this article, other laws, and the association's
3 governing documents, but the association shall not be required to
4 prepare or distribute proxies pursuant to this section.

5 (3) Any instruction given in a proxy issued for an election that
6 directs the manner in which the proxyholder is to cast the vote
7 shall be set forth on a separate page of the proxy that can be
8 detached and given to the proxyholder to retain. The proxyholder
9 shall cast the member's vote by secret ballot. The proxy may be
10 revoked by the member prior to the receipt of the ballot by the
11 inspector of elections as described in Section 7613 of the
12 Corporations Code.

13 (e) Ballots and two preaddressed envelopes with instructions
14 on how to return ballots shall be mailed by first-class mail or
15 delivered by the association to every member not less than 30
16 days prior to the deadline for voting. In order to preserve
17 confidentiality, a voter may not be identified by name, address,
18 or lot, parcel, or unit number on the ballot. The association shall
19 use as a model those procedures used by California counties for
20 ensuring confidentiality of voter absentee ballots, including all of
21 the following:

22 (1) The ballot itself is not signed by the voter, but is inserted
23 into an envelope that is sealed. This envelope is inserted into a
24 second envelope that is sealed. In the upper left hand corner of
25 the second envelope, the voter shall sign his or her name, indicate
26 his or her name, and indicate the address or separate interest
27 identifier that entitles him or her to vote.

28 (2) The second envelope is addressed to the inspector or
29 inspectors of election, who will be tallying the votes. The
30 envelope may be mailed or delivered by hand to a location
31 specified by the inspector or inspectors of election. The member
32 may request a receipt for delivery.

33 (f) All votes shall be counted and tabulated by the inspector or
34 inspectors of election or his or her designee in public at a
35 properly noticed open meeting of the board of directors or
36 members. Any candidate or other member of the association may
37 witness the counting and tabulation of the votes. No person,
38 including a member of the association or an employee of the
39 management company, shall open or otherwise review any ballot
40 prior to the time and place at which the ballots are counted and

1 tabulated. The inspector of election, or his or her designee, may
2 verify the member's information and signature on the outer
3 envelope prior to the ~~election~~ *meeting at which ballots are*
4 *tabulated*. Once a secret ballot is received by the inspector of
5 elections, it shall be irrevocable.

6 (g) The tabulated results of the election shall be promptly
7 reported to the board of directors of the association and shall be
8 recorded in the minutes of the next meeting of the board of
9 directors and shall be available for review by members of the
10 association. Within 15 days of the election, the board shall
11 publicize the tabulated results of the election in a communication
12 directed to all members.

13 (h) The sealed ballots at all times shall be in the custody of the
14 inspector or inspectors of election or at a location designated by
15 the inspector or inspectors until after the tabulation of the vote,
16 and until the time allowed by ~~the governing documents~~ *Section*
17 *7527 of the Corporations Code* for challenging the election has
18 expired, at which time custody shall be transferred to the
19 association. If there is a recount or other challenge to the election
20 process, the inspector or inspectors of election shall, upon written
21 request, make the ballots available for inspection and review by
22 an association member or his or her authorized representative.
23 Any recount shall be conducted in a manner that preserves the
24 confidentiality of the vote.

25 (i) After the transfer of the ballots to the association, the
26 ballots shall be stored by the association in a secure place for no
27 less than one year after the date of the election.

28 (j) Notwithstanding any other provision of law, the rules
29 adopted pursuant to this section may provide for the nomination
30 of candidates from the floor of membership meetings or
31 nomination by any other manner. Those rules may permit
32 write-in candidates for ballots.

33 (k) Except for the meeting to count the votes required in
34 subdivision (f), an election may be conducted entirely by mail
35 unless otherwise specified in the governing documents.

36 (l) The provisions of this section apply to both incorporated
37 and unincorporated associations, notwithstanding any contrary
38 provision of the governing documents.

1 (m) The procedures set forth in this section shall apply to
2 votes cast directly by the membership, but do not apply to votes
3 cast by delegates or other elected representatives.

4 (n) In the event of a conflict between this section and the
5 provisions of the Nonprofit Mutual Benefit Corporation Law
6 (Part 3 (commencing with Section 7110) of Division 2 of Title 1
7 of the Corporations Code) relating to elections, the provisions of
8 this section shall prevail.

9 (o) The amendments made to this section by the act adding
10 this subdivision shall become operative on July 1, 2006.

11 SEC. 2. Section 1365.2 of the Civil Code is amended to read:

12 1365.2. (a) For the purposes of this section, the following

8 related to the requester's interest as a member. If the association
9 reasonably believes that the information in the list will be used
10 for another purpose, it may deny the member access to the list. If
11 the request is denied, in any subsequent action brought by the
12 member under subdivision (f), the association shall have the
13 burden to prove that the member would have allowed use of the
14 information for purposes unrelated to his or her interest as a
15 member.

16 (iii) A member of the association may opt out of the sharing of
17 his or her name, property address, and mailing address by
18 notifying the association in writing that he or she prefers to be

23 (2) "Enhanced association records" means invoices, receipts
24 and canceled checks for payments made by the association,
25 purchase orders approved by the association, credit card

27 statements for services rendered, and reimbursement requests

31 request.

32 (b) (1) The association shall make available association
33 records and enhanced association records for the time periods
34 and within the timeframes provided in subdivisions (i) and (j) for
35 inspection and copying by a member of the association, or the
36 member's designated representative. The association may bill the
37 requesting member for the direct and actual cost of copying
38 requested documents. The association shall inform the member

6 records available for inspection and copying in the association's
7 business office within the common interest development.

8 (2) If the association does not have a business office within the
9 development, the association shall make the specified association
10 records available for inspection and copying at a place that the
11 requesting member and the association agree upon.

12 (3) If the association and the requesting member cannot agree
13 upon a place for inspection and copying pursuant to paragraph
14 (2), or if the requesting member submits a written request
15 directly to the association for copies of specifically identified
16 records, the association may satisfy the requirement to make the
17 association records available for inspection and copying by
18 mailing copies of the specifically identified records to the
19 member by first-class mail within the timeframes set forth in
20 subdivision (j).

21 (4) The association may bill the requesting member for the
22 direct and actual cost of copying and mailing requested
23 documents. The association shall inform the member of the
24 amount of the copying and mailing costs, and the member shall
25 agree to pay those costs, before copying and sending the
26 requested documents.

27 (5) In addition to the direct and actual costs of copying and
28 mailing, the association may bill the requesting member an
29 amount not in excess of ten dollars (\$10) per hour, and not to
30 exceed two hundred dollars (\$200) total per written request, for
31 the time actually and reasonably involved in redacting the
32 enhanced association records as provided in paragraph (2) of
33 subdivision (a). The association shall inform the member of the
34 estimated costs, and the member shall agree to pay those costs,
35 before retrieving the requested documents.

36 (d) (1) Except as provided in paragraph (2), the association
37 may withhold or redact information from the association records
38 for any of the following reasons:

40 to identity theft. For the purposes of this section, "identity theft"

1 means the unauthorized use of another person's personal
2 identifying information to obtain credit, goods, services, money,
3 or property. Examples of information that may be withheld or
4 redacted pursuant to this paragraph include bank account
5 numbers of members or vendors, social security or tax
6 identification numbers, and check, stock, and credit card
7 numbers.

8 (B) The release of the information is reasonably likely to lead
9 to fraud in connection with the association.

10 (C) The information is privileged under law. Examples include
11 documents subject to attorney-client privilege or relating to
12 litigation in which the association is or may become involved,
13 and confidential settlement agreements.

14 (D) The release of the information is reasonably likely to
15 compromise the privacy of an individual member of the
16 association.

17 (E) The information contains any of the following:

18 (i) Records of a-la-carte goods or services provided to
19 individual members of the association for which the association
20 received monetary consideration other than assessments.

21 (ii) Records of disciplinary actions, collection activities, or
22 payment plans of members other than the member requesting the
23 records.

24 (iii) Any person's personal identification information,
25 including, without limitation, social security number, tax
26 identification number, driver's license number, credit card
27 account numbers, bank account number, and bank routing
28 number.

29 (iv) Agendas, minutes, and other information from executive
30 sessions of the board of directors as described in Section
31 1363.05, except for executed contracts not otherwise privileged.

38 ~~clause shall limit an association's authority to adopt rules~~
39 ~~requiring owners to show architectural plans to impacted~~
40 ~~neighbors, as defined by those rules, as part of the architectural~~

1 application process or limit the ability of an impacted neighbor to
2 inspect those plans.

3 (vi) *Interior architectural plans, including security features,*
4 *for individual homes.*

5 (2) Except as provided by the attorney-client privilege, the
6 association may not withhold or redact information concerning

9 forth by job classification or title, not by the employee's name,
10 social security number, or other personal information.

11 (3) No association, officer, director, employee, agent or
12 volunteer of an association shall be liable for damages to a
13 member of the association or any third party as the result of
14 identity theft or other breach of privacy because of the failure to
15 withhold or redact that member's information under this
16 subdivision unless the failure to withhold or redact the
17 information was intentional, willful, or negligent.

18 (4) If requested by the requesting member, an association that
19 denies or redacts records shall provide a written explanation
20 specifying the legal basis for withholding or redacting the
21 requested records.

22 (e) (1) The association records, and any information from
23 them, may not be sold, used for a commercial purpose, or used
24 for any other purpose not reasonably related to a member's
25 interest as a member. An association may bring an action against
26 any person who violates this section for injunctive relief and for
27 actual damages to the association caused by the violation.

28 (2) This section may not be construed to limit the right of an
29 association to damages for misuse of information obtained from
30 the association records pursuant to this section or to limit the
31 right of an association to injunctive relief to stop the misuse of
32 this information.

33 (3) An association shall be entitled to recover reasonable costs
34 and expenses, including reasonable attorney's fees, in a
35 successful action to enforce its rights under this section.

36 (f) A member of an association may bring an action to enforce
37 the member's right to inspect and copy the association records. If
38 a court finds that the association unreasonably withheld access to
39 the association records, the court shall award the member
40 reasonable costs and expenses, including reasonable attorney's

1 fees, and may assess a civil penalty of up to five hundred dollars
2 (\$500) for the denial of each separate written request. A cause of
3 action under this section may be brought in small claims court if
4 the amount of the demand does not exceed the jurisdiction of that
5 court. A prevailing association may recover any costs if the court
6 finds the action to be frivolous, unreasonable, or without
7 foundation.

8 (g) The provisions of this section apply to any community
9 service organization or similar entity, as defined in paragraph (3)
10 of subdivision (c) of Section 1368, that is related to the
11 association, and this section shall operate to give a member of the
12 community service organization or similar entity a right to
13 inspect and copy the records of that organization or entity
14 equivalent to that granted to association members by this section.

15 (h) Requesting parties shall have the option of receiving
16 specifically identified records by electronic transmission or
17 machine-readable storage media as long as those records can be
18 transmitted in a redacted format that does not allow the records to
19 be altered. The cost of duplication shall be limited to the direct
20 cost of producing the copy of a record in that electronic format.
21 The association may deliver specifically identified records by
22 electronic transmission or machine-readable storage media as
23 long as those records can be transmitted in a redacted format that
24 prevents the records from being altered.

(k) There shall be no liability pursuant to this section for an association that fails to retain records for the periods specified in subdivision (i) that were created prior to January 1, 2006.

~~(m)~~

(l) As applied to an association and its members, the provisions of this section are intended to supersede the provisions of Sections 8330 and 8333 of the Corporations Code to the extent those sections are inconsistent.

~~(n)~~

(m) The provisions of this section shall not apply to any common interest development in which separate interests are being offered for sale by a subdivider under the authority of a public report issued by the Department of Real Estate so long as the subdivider or all subdividers offering those separate interests for sale, or any employees of those subdividers or any other person who receives direct or indirect compensation from any of those subdividers, comprise a majority of the members of the board of directors of the association. 4 ~~separate interest or to the common area. In reviewing and~~
5 ~~approving or disapproving a proposed change, the association~~
6 ~~shall satisfy the following requirements:~~

7 ~~(1) The association shall provide a fair, reasonable, and~~
8 ~~expeditious procedure for making its decision. The procedure~~
9 ~~shall be included in the association's governing documents. The~~
10 ~~procedure shall provide for prompt deadlines. The procedure~~
11 ~~shall state the maximum time for response to an application or a~~
12 ~~request for reconsideration by the board of directors.~~

13 ~~(2) A decision on a proposed change shall be made in good~~
14 ~~faith and may not be unreasonable, arbitrary, or capricious.~~

15 ~~(3) Notwithstanding a contrary provision of the governing~~
16 ~~documents, a decision on a proposed change may not violate any~~
17 ~~governing provision of law, including, but not limited to, the Fair~~
18 ~~Employment and Housing Act (Part 2.8 (commencing with~~
19 ~~Section 12900) of Division 3 of Title 2 of the Government~~
20 ~~Code), or a building code or other applicable law governing land~~
21 ~~use or public safety.~~

22 ~~(4) A decision on a proposed change shall be in writing. If a~~
23 ~~proposed change is disapproved, the written decision shall~~
24 ~~include both an explanation of why the proposed change is~~
25 ~~disapproved and a description of the procedure for~~
26 ~~reconsideration of the decision by the board of directors.~~

27 ~~(5) If a proposed change is disapproved, the applicant is~~
28 ~~entitled to reconsideration by the board of directors of the~~
29 ~~association that made the decision, at an open meeting of the~~
30 ~~board. This paragraph does not require reconsideration of a~~
31 ~~decision that is made by the board of directors or a body that has~~
32 ~~the same membership as the board of directors, at a meeting that~~
33 ~~satisfies the requirements of Section 1363.05. Reconsideration by~~
34 ~~the board does not constitute dispute resolution within the~~
35 ~~meaning of Section 1363.820.~~

37 ~~standards in the declaration of the common interest development~~
38 ~~or a variance from the association's published architectural~~
39 ~~guidelines or standards and the reasons for that decision shall be~~

1 published in the open session minutes of the board of directors
2 meeting after the board grants the variance.

3 ~~(b) Nothing in this section authorizes a physical change to the~~
4 ~~common area in a manner that is inconsistent with an~~
5 ~~association's governing documents, unless the change is required~~
6 ~~by law.~~

7 ~~(c) An association shall annually provide its members with~~
8 ~~notice of any requirements for association approval of physical~~
9 ~~changes to property. The notice shall describe the types of~~
10 ~~changes that require association approval and shall include a~~
11 ~~copy of the procedure used to review and approve or disapprove~~
12 ~~a proposed change.~~
